Re: Invitation letter for visa request.

On behalf of the Organizing Committee we would be pleased to welcome your participation at HIV DART and Emerging Viruses 2018, in Miami, Florida, USA on 27-28 November 2018.

We anticipate a highly successful and exciting workshop. Participants will have the opportunity to exchange ideas and expertise in an international framework, meet friends and colleagues from all over the world and listen to lectures delivered by prominent leaders who have agreed to attend.

This letter cannot be regarded as a commitment on behalf of the Organizing Committee towards financial assistance for participation. However, participation of all researchers and experts in the field would be valued and appreciated.

Sincerely,

Nicole Parise
